## Voorwoord

*Beste lezers, en dus hopelijk ...  
Schaats-enthousiasten,*

*Na 20 jaar schaatsactiviteiten : matig  
wedstrijdschaatser, clubbestuurslid,  
beheerraadslid K.B.S.F. en V.S.V. en,  
tenslotte Voorzitter van beide "koepels",  
zal je soms de vraag stellen waarom ?  
Het antwoord is zo eenvoudig, omdat ik  
van deze sport HOU ! Een vaststelling  
die bij zovele schaats(t)ers en  
bestuursleden kan gedaan worden.*

*Een streven om de sport te populariseren  
is op goede weg, niet zonder de nodige  
strubbelingen. "Short track Olympisch"  
was een doel wat nu bereikt werd.*

*Welke de discipline ook moge zijn,  
het kan enkele groeien als bij de basis  
vertrokken wordt. Eerste de funderingen,  
dan het huis.*

*Dat ieder daar zijn mening over heeft is  
vanzelfsprekend, maar indien ieder de  
van de schaatsport houdt, dit voor ogen  
blijft houden, moeten wij slagen.*

*Een der grootste uitdagingen die wij  
aanvaardden, was de organisatie van de  
World Final teams "Short track"  
op 10 en 11 maart e.k.te Gent.*

*Ik hoop dat ieder zich realiseert, dat dit  
een enige gelegenheid is om zijn familie,  
vrienden, en kennissen te laten zien hoe  
één der schaatsdisciplines, op het  
hoogste niveau, beoefend wordt.  
Je zult terecht fier mogen zijn !*

*Ook de Internationale Schaatsunie  
(I.S.U.) kijkt met spanning uit wat het  
"kleine lid" = België kan bieden aan het  
publiek. Veel ! Indien ieder bewust is dat  
dit een enige gelegenheid is om onze  
kwaliteiten te bewijzen.*

*Veel schaatsgenot,  
je vergeet er alle zorgen bij !*

*PAUL GOYVAERTS - voorzitter kbsf*

## Preface

*Dearest readers, and therefore ...  
Skate enthusiasts,*

*After 20 years of skating activities :  
moderate skater, club board member,  
member of the Board of Directors of the  
KBSF and VSV and finally Chairman of  
both cupola, you can ask yourself why ?  
The answer is very simple, it's because  
I LOVE this sport ! A conclusion many  
skaters and committee members make  
for themselves.*

*Making our sport popular doesn't go  
without difficulties. Short track being  
Olympic is a goal we have achieved.*

*What ever the discipline is, it can only  
grow by starting off at the base.  
First the foundation, then the house.*

*Not all opinions are the same, but if all  
those who love skating keep that in sight,  
we must succeed.*

*One of the biggest challenges we ever  
accepted, is the organization of the  
WORLD FINAL TEAMS Short Track  
on 10 and 11 March in Ghent.*

*I hope that everybody realizes that this is  
a unique occasion to let his family,  
friends an acquaintances see how one of  
the skating disciplines is being practiced  
on the highest level. You'll be proud of  
your sport.*

*Even the International  
Skating Union (ISU) is anxious to see  
what the "small member" Belgium can  
offer to the public. A Lot ! Only if  
everyone is aware that this is a unique  
occasion to prove our capacities.*

*I hope you enjoy skating and forget all  
your troubles doing it.*

*PAUL GOYVAERTS - chairman kbsf*
