**WORLD INDOOR SHORT TRACK
SPEED SKATING CHAMPIONSHIPS
FOR LADIES AND MEN 1985**

When you read this protocol the 5th World Indoor Short Track Speed Skating Championships has come to an end. After Paris ('81), Moncton ('82), Tokyo ('83) and Petersborough ('84) it felt Amsterdam's share to see the world-top short track skaters in action. We are very proud of the fact that we could welcome almost one hundred competitors for this event. We saw very exciting competitions. The audience came into one's own. This World Championships showed us fantastic achievements. We hope that these championships will contribute to the acknowledgement of short track skating in The Netherlands. An acknowledgement which this branch of speedskating surely deserves.

We thank everybody who had any exertion with this enormous world-tournament.

Special thanks for the competitors; they gave us a show to remember many years.

We hope to welcome you once again here in Amsterdam because of the fact that we like to repeat this event after a couple of years.

J.P. Broekhuizen,
chairman of the Organizing Committee.
